

A joint meeting with the Towns of Sanford and Deposit and the Village of Deposit was held on September 29, 2022 at 5:30PM Village Hall 61 Front Street, Deposit, NY.

PRESENT: Mayor Bryan Moore, Clerk Treasurer Budine, Town of Sanford Supervisor Ken Wist, Town of Deposit Supervisor Tom Axtell and Board member Bobby Mills.

TOS Supervisor Wist reported that Taylor Garbage will honor their prices from the past year. There was a huge difference between what was paid to Taylor and the current bid, that there would have to be a large amount of trips not made to make it comparable. It was decided to stay with Taylor Garbage for the next fiscal year and possibly revisit bidding for next year. It was suggested to include Taylor garbage in the next bid process.

Discussion about repairs to the bin followed. It was decided to price a new bin and see if there were grants available to help pay for it.

MOTION

Motion was made by Supervisor Wist and seconded by Mayor Moore to adjourn at 5:55 PM
