

2020-2021 BUDGET MEETING HELD ON OCTOBER 8, 2019 AT 6:00 P.M. VILLAGE HALL, 146 Front Street, Deposit, NY.

PRESENT: Mayor Moore, Trustees Ryneerson, Warner and Brown, CT Budine, DCT Bev Shirkey, Steve Evans and Judge Lantz.

The Mayor opened the meeting. Judge Lantz asked if the court clerk could work more than 29 hours one week and less than the 29 hours the next week and still be considered part-time. Mayor Moore and Trustee Ryneerson both felt that the court clerk would have to remain under 29 hours each week to be considered part-time. The Judge explained that the court work load would increase due to the new laws. He was just trying to think of ways that the court clerk could remain part-time and get her work done. Judge Lantz asked if they could table his budget until January, when he would get a better idea of how the new laws would affect the court. Right now he sees the necessity of having to add to more court days and 2 more court nights. Judge Lantz thought that we could eliminate the court attendant if we had Police on duty to allow prisoners to wait in the Police Department, it would be much savings to the budget but it would be something. Judge Lantz was asking for a 5% increase in his wage and the court clerk would get mandatory minimum wage. He really couldn't determine if they would need to switch from part-time to full-time. Trustee Ryneerson asked about the current hours and Judge Lantz stated that it was a courtesy that we were open on non-court days unlike other small courts, which are only open on court days. Judge Lantz also wanted to find out if the Village needed a local law to allow collection of legal fees in prosecution of ordinances.

The board thanked Judge Lantz for his time.

MOTION# 251/19-20

Motion was made by Trustee Warner and seconded by Trustee Brown to go into executive session. Motion carried unanimously.

MOTION#252/19-20

Motion was made by Trustee Ryneerson and seconded by Trustee Brown to come out of executive session. Motion carried unanimously.

Trustee Ryneerson asked how comp time was calculated. DCT Shirkey stated that it was put on their time sheets. Trustee Ryneerson asked if it could be put in the Payroll program. CT Budine explained that it was similar to Holiday and Sick hours. These were manually entered and as used the payroll program would deduct them but, with comp hours that are earned and spent weekly with wasn't so simple, as earned hours would have to be manually entered. So we kept our own excel spreadsheet with earned and spent comp hours.

MOTION#253 /19-20

Trustee Ryneerson made a motion to have a time clock installed at the DPW garage, Trustee Warner seconded. DPW Supervisor Evans would research and find a time clock for the Village. Motion passed.

Trustee Ryneerson and seconded by Trustee Warner to adjourn at 6:57PM. Motion carried.

Respectfully submitted,

Karen L. Budine

Clerk Treasurer
