INSPECTIONS REQUIRED:

I understand that the inspections listed on the Inspection Schedule Sheet are to be done as construction progresses and that in no case shall construction proceed beyond any required inspections until signed off by the Code Enforcement Officer. I further understand that failing to have a required inspection performed would constitute a violation of the New York State Uniform Fire Prevention and Building Code, and is an offense punishable by a fine of up to \$1000.00 per day. A building permit shall contain a statement directing that all work shall be performed in accordance with the construction documents submitted and accepted as part of the application. In addition, a permit shall include the directive that the government or agency responsible for enforcement of the code shall be notified immediately in the event of changes occurring during construction. Building.

APPLICANT CERTIFICATION:

I hereby certify that I have read the instructions and examined this application and know the same to be true and correct. All work done under this permit will meet the requirements of the New York State Uniform Fire Prevention and Building Code and all Ordinances and Laws of the Village of Deposit. I also understand that the granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or land use or the performance of construction.
